Supplex® de Alta Compressão

90% Poliamida/ Polyamide, 10% Elastano/ Elastane

Alta Compressão

Pettenati

O Supplex e seca mais rápido que o algodão. Alta Compressão é um conceito Pettenati, desenvolvido para melhorar a performance durante as atividades físicas. Contribui também para o conforto, equilíbrio térmico, proteção da musculatura e possui elasticidade constante.

The Supplex® has a smooth, natural touch, does not shrink or deform and dries faster than cotton. High compression is a Pettenati concept, developed to improve the performance during the physical activities. Also contributes to the comfort, thermal equilibrium, muscle protection and has constant elasticity.

Glow - Scala

88% Poliamida/ Polyamide, 12% Elastano/ Elastane

São tecidos texturizados, o que contribui para o impedimento de aparição de celulites, é brilhoso, possuem proteção UV+50 que bloqueia até 98% a entrada dos raios UVA e UVB, não sai na lavagem e sua secagem é rápida. Fazem parte dos tecidos da Farbe que possui certificação OEKO-TEX® STANDARD 100, que garante a não toxicidade do tecido para não causar danos em contato com a pele e ao meio ambiente.
